

Mild Steel Round Bars (Dia 53â??65 MM) â?? Hot Rolled Black Rounds | LC Steel

Description

net Indus Mild Steel Rounds â?? Hot Rolled Black Bars in 53 to 65 MM **Diameters**

Steelmet Industries supplies hot rolled untested low carbon mild steel round bars in mid-large diameters ranging from 53 mm to 65 mm. These plain rounds are ideal for structural frameworks, rerolling, construction formwork, and fabrication applications that do not require certified or tested material.

ð??• Size & Availability

Diameter (MM)	Standard Lengths (ft)	Exact Length (ft)	End Type
